# • University

This screenshot shows the 'University' management page in the COREUI application. The left sidebar contains navigation links for Dashboard, STUDENTS, UNIVERSITY (highlighted), and PRACTICAL. The main content area has a breadcrumb trail 'Home / university / university'. It features a form to add a new university with a text input field containing 'University' and a green 'Add University' button. Below the form is a table listing existing universities.

Sr. no.	University Name	Edit University	Delete University
1	LJ New	<button>Edit University</button>	<button>Delete</button>
2	LJ Old	<button>Edit University</button>	<button>Delete</button>
3	LJ Sanand	<button>Edit University</button>	<button>Delete</button>

The footer of the application shows 'CoreUI © 2020 creativeLabs.' and 'Powered by CoreUI'.

# • University edit

This screenshot shows the same 'University' management page, but with an 'Edit University' modal dialog open. The modal has a title bar with a close button, a text input field containing 'LJ New (changed)', a purple 'Save changes' button, and a grey 'Close' button. The background content is dimmed.

Sr. no.	University Name	Edit University	Delete University
1	LJ New	<button>Edit University</button>	<button>Delete</button>
2	LJ Old	<button>Edit University</button>	<button>Delete</button>
3	LJ Sanand	<button>Edit University</button>	<button>Delete</button>

The footer remains the same: 'CoreUI © 2020 creativeLabs.' and 'Powered by CoreUI'.

## • University edit response

The screenshot shows the 'University' management page in the CoreUI application. The left sidebar contains navigation links for Dashboard, STUDENTS, UNIVERSITY, and PRACTICAL. The 'UNIVERSITY' section is active, with 'University' highlighted. The main content area displays a success message 'Successfully edited university' in a green box. Below this, there is a form to add a new university with a text input for 'University name' and an 'Add University' button. A table lists existing universities with columns for 'Sr. no.', 'University Name', 'Edit University', and 'Delete University'.

Sr. no.	University Name	Edit University	Delete University
1	LJ New (changed)	<button>Edit University</button>	<button>Delete</button>
2	LJ Old	<button>Edit University</button>	<button>Delete</button>
3	LJ Sanand	<button>Edit University</button>	<button>Delete</button>

## • Department add

The screenshot shows the 'Department' management page in the CoreUI application. The left sidebar contains navigation links for Dashboard, STUDENTS, UNIVERSITY, and PRACTICAL. The 'UNIVERSITY' section is active, with 'Department' highlighted. The main content area displays a form to add a new department. It includes a dropdown for 'University' (currently showing 'LJ New (changed)') and a text input for 'Department name' (placeholder: 'NEW\_DEPARTMENT\_NAME'). Below the form is an 'Add Department' button. A table lists existing departments with columns for 'Sr. no.', 'Department Name', 'Department's University', 'Edit Department', and 'Delete Department'.
